

Server Brackets Variants

Multi-Function Rail Bracket

Bracket for telescopic rails combines 2 brackets(front & rear)in each side for 5 different length of brackets that creates a flexible solution to fit you Indeed components.

Material: sheet steel

Supply includes:

2 pairs of Brackets & Assembly parts .

Finished: Zinc-Plated

Patent Pended : Taiwan 0536120, China 03240585.5 , USA, Germany,

CLM Part No.	For Cabinet mm	Pack No.	Set/ CTN
882150-618	600	2	10
882150-720	700	2	10
882150-822	800	2	10
882150-824	800	2	10
882150-926	900	2	10

Multi-Function 2 Sections Telescopic Ball-Bearing Server Rail for all "U" components

These server rails can be mounting in all Chassis with pairs of mounting angles through brackets for mounting onto the Cabinet that provides a pair of Telescopic rail smooth reliable & convenience operation .

Material: sheet steel

Supply includes: 1. a pair of 1 slide Rail
2. 2 pair of Brackets
3. Assembly part

Finished: Zinc-Plated

Patent Pended : Taiwan 0536120, China 03240585.5 ,USA,Germany,
